Phone: +8613801895920

Website: <https://HTTP://WWW.ABZ-SH.COM>

ABZ, state high-tech enterprise, has more than 20000 square meters modern European-type factory in JiangSu Changzhou city. We have a professional R&D team, include senior European experts and skillful engineers who have more than 20 years experience in the wire and cable making machines, focus on designing and manufacturing high standard drawing machines, stranding machines and laying up machines. ABZ, the enterprise mission is living for precisely Made in China, the enterprise vision is industry Craftsman, Word Champion. The care vale is share, together and artisan.

ACIMAF

ALLIED INTERNATIONAL GROUP

Address: Località Vascellino di Nibbiano29031 Alta Val Tidone (PC)Italy
Phone: 00390523991211
Website: <https://www.allied-group.com>

Stock and distribution of buttweld fittings in all material grades up to 120", hot induction & cold forming bends up to 60", welded/clad pipes up to 100", pipes, flanges and other related products. Allied International is the Parent Company of Allied International Group, which includes top branded manufacturers of fittings (Tectubi Raccordi, Raccordi Forgiati, Bassi Luigi, Petrol Raccord, Interfit), bends (Tectubi Raccordi, Simas) and special pipes (Gieminox Tectubi Raccordi, BSL Pipes & Fittings)

AMBICA STEELS LIMITED

Address: C - 54/1, Wazirpur Industrial Area, New Delhi 110052, INDIA
Phone: +911147034400
Website: <https://www.ambicasteels.com/>

AMBICA STEELS LIMITED Is the Leading Integrated Producer of Stainless Steel Long Products in India. We specialize in all major stainless steel grades like 303, 304/L, 316/L, 321, 316Ti, 410, 416, 420 B/C, 430F, 431, 1.4122, 302, 321, 304HQ, 302CHQ, 430, 434, and Electrodes grades AWS 308L, 309L, 316L, 310, 312, 430L.etc. We operate four cutting-edge plants and export our premium products (Bars & Wires) globally to over 50 countries for Weaving/Wire Mesh, Wire Rope, Staple Pin Application, Spring Hard & Wire Forming, Redraw Quality Wire, Welding Wire.

Anhui Herrman Machinery Technology Co., Ltd.

Address: 16F, Building C, Fortune Plaza, No.287, Suixi Road Hefei, Anhui, China
Phone: +8655165667601
Website: <https://www.herrmanmachinery.com>

Anhui Herrman Machinery Technology Co., Ltd. Was found in 2010. We have very good experience on supplying all kinds of cable making machineries which are related to Power Cable, control cable, insulated wires & Optical Fiber cable with Turn Key projects as well. We have good reputations in 36 countries such as USA, Turkey, Czech Republic, Korea & India, Egypt, etc. We supply not only High Quality machinery, but also good maintenance service to supply spare parts and engineering service. To achieve good satisfaction, you are mostly welcome to visit our factory.

Assomac Machines LTD

August STRECKER GmbH & Co. KG

Address: Jahnstrasse 5 65549 Limburg/Lahn GERMANY
Phone: +49643196100
Website: www.streckerusa.com

For over 90 years, AUGUST STRECKER GmbH & Co. KG have been specialists in the development and production of butt welding machines for almost any application in the wire and cable industry. The product range includes machines for butt welding of solid wires, cables, flat conductors, rings, chain links and custom parts. Also, hydraulic butt welding machines with automatic deburring for the wire and cable industry as well as for special applications which make very high demands on weld quality and reproducibility.

AWCMA-VOEDKM

Address: Peter-Jordan-Str. 12/3 1190 Vienna / Austria
Phone: +431367494913
Website: www.awcma.com

The "AWCMA" (Austrian Wire and Cable Machinery Manufacturers' Association, German language title "VOEDKM") has been established in Vienna in 1988 by Dr. Kurt G. Eder. At present, the AWCMA consists of 15 member companies. Their regular efforts and commitment to continuous research and development, combined with intensive marketing initiatives abroad have created for many years now a reputation as trendsetters, when it comes to introducing advanced production methods, the latest technology machinery and reliable equipment for the production of wire, cable and wire products.

Baoding Mingshuo Electric Co., Ltd.

Address: South of Xinanzuo Village,073000, Dingzhou,Baoding,Hebei Province,China.
Phone: 00863122564236
Website: www.hfweldersupplier.com

Baoding Mingshuo Electric established in 2011, is Located in Baoding Dingzhou Chang'an industrial zone .We are one of the largest steel pipe Welding Machine manufacturers in China that we have more than 14 years' experience in designing and manufacturing High Frequency Welder for ERW pipes, H-Beam welding, spiral finned tubes and as well as the aluminum spacer bar welding. We focus on induction heating equipment; include MOSFET Solid State Hi-Frequency Welder, IGBT Solid State Audio Heating Treatment. Be in use mechanical manufacture, building material, metallurgy & motor industry.

BAODING SANZHENG ELECTRICAL EQUIPMENT CO., LTD.

Address: NO. 2258, CHAOYANG NORTH STREET, BAODING, HEBEI PROVINCE, CHINA
Phone: 008613903127983
Website: <https://www.sanzhengdianqi.com>

Sanzheng is a high-tech enterprise specializing in induction heating equipment, integrating R&D, production, and application. Located in Baoding National High-tech Zone, near Beijing, Tianjin, and Xiong'an New Area, it benefits from convenient transport and abundant human resources. With 135 employees and a registered capital of 41.9 million RMB, Sanzheng has a strong technical and management team. Over 70% of employees hold college degrees or above, and 20% of technicians have advanced degrees. The company collaborates with renowned universities like Zhejiang University and has passed ISO9000

BAOFENG STEEL GROUP CO., LTD.

Website: <https://www.wzbftg.com>

Address: No. 217 Ruiyang Road, Songyang Industrial Zone

Phone: +86057786657165

Baofeng Steel Group Co., Ltd., located in Songyang County, Zhejiang Province, was established in 2000, covering an area of 300,000 square meters, and currently has more than 1000 employees. It is the largest stainless steel coil tube manufacturer and one of the largest stainless steel pipe manufacturers in China. Baofeng has complete coverage of steel type and complete specifications, which can meet the needs of customers. Baofeng can produce 100 grades of different austenitic, super austenitic and duplex steels, and more than 40 grades of high temperature nickel alloys.

Baoji City Changsheng Titanium Co., Ltd.

Address: No. 26 Baotai Road Weibin District Baoji Shaanxi China

Phone: 8613092919327

Baoji Changsheng Titanium Co., Ltd., founded in 2001, specializes in titanium forging, plates, tubes, bars, and equipment. With over 20 years of experience, Changsheng provides high-quality products globally for industries such as: Chlor-Alkali: Titanium/nickel pipes, coolers, electrolyzers. Lithium/PCB Copper Foil: Titanium cathode drums, anodes. Seawater Desalination: Titanium heat exchangers, pipelines. Oil Exploration: Gr5 titanium pipes, radiators. New Energy/Green Hydrogen: Titanium bipolar plates, filters. Water Treatment: Titanium mesh, pipes. Medical & Aerospace: Titanium forgings

Baoshan Iron & Steel Co., Ltd.

Address: Baosteel Administrative Center, No. 885, Fujin Road, Baoshan District, Shanghai, China

Phone: 00862126647000

Website: <https://www.baosteel.com>

Baoshan Iron & Steel Co., Ltd. (hereinafter referred to as “Baosteel”), is a globally leading modernized integrated iron and steel company and the core enterprise of China Baowu Steel Group Corporation. With a strategic objective to build itself into the most globally competitive iron and steel enterprise and a listed company with the greatest investment value, Baosteel devotes to providing prominent products and services to customers, creating best value for shareholders and the society, and achieving the joint development with stakeholders.

Website: <https://www.bjholland.com>

Beijing Holland Co., Ltd is a professional equipment & machinery supplier established in 1997. We focus on the overall solution and special-purpose machinery with expertise in conductor processing, non-ferrous recycling, strip & profile processing, and motor & transformer manufacturing machinery. After 25 years of development, we has established the business relationship with many clients from more than 30 countries in Asia, Latin America, Europe and Africa. We has supplied more than 1000 machines & lines in global market.

Beijing Yitian Mica Technology Co., Ltd.

Address: ACFIC Building, No.4 Fufeng Road, Tech Park, Fengtai Zone, Beijing city. China.
Phone: +8613301103198
Website: <https://www.ncnc.cn>

YT MICA is a national high-tech enterprise engaged in the research and development, production and sales of mica series products Founded in 2003 from mica paper, mica tape and other relevant fire resistant materials for cables & wires industry to mica insulation tape, special-shaped mica products and other mica insulation materials for EV, eco-energy, electric appliances and various industries application. We design personalized mica products from the raw material end based on customer demand, provide One-Stop fire-resistant and flame-retardant solutions

BINZHOU ZELI PRECISION METAL TECHNOLOGY CO., LTD

Address: South of Xinghu 3rd Road and East of Kaifa 5th Road, Industrial Park, Wudi, Shandong, P.R.China
Phone: 00865436360571
Website: www.zeliprecisionmetal.com

Binzhou Zeli Precision Metal Technology Co., Ltd. is a comprehensive enterprise specializing in the production, deep processing, and surface treatment of precision castings. The castings are entirely produced using the silica sol shell process, with materials including stainless steel, carbon steel, alloy structural steel, corrosion-resistant steel, special high alloy steel, and some copper and aluminum alloys. The product is to be exported to more than ten countries and regions, including the Canada, Germany, the United Kingdom, France, the Netherlands, Italy, South Korea, etc.

Boockmann Engineering GmbH

Address: Eckartspfad 6, 97708 Bad Bocklet - GERMANY
Phone: 0970870460
Website: <https://www.boockmann.com/>

Boockmann Engineering GmbH specializes in innovative processes, machinery, and consumables for wire and cable cleaning and coating. Originally founded in 1983 as a trading, representation, and consulting company for magnet wire enamels and secondary insulation materials, the company has since evolved into a globally recognized manufacturer with extensive in-house production capabilities. The company develops customized machinery and supports customers with process development, commissioning, and maintenance. Its chemical lab offers advanced analysis services, ensuring high-quality solutions

Botou City Xinrong Foundry Co., LTD

Address: Botou City Hebei Province 062150 China
Phone: + 8615226615266

Botou Xinrong Foundry Co., Ltd., established in 1990 in Botou City, Hebei Province, is a leading foundry specializing in high-quality cast iron products. It holds ISO9001, ISO14001, ISO45001, and European EN124-2 certifications. With an annual production capacity of 25,000 tons, it produces a wide range of products including building, power, and mechanical accessories. The company exports to over 30 countries and focuses on high-end markets. Its core values are innovation, continuous improvement, and honesty.
